First Aid Kits & Supplies

CutCure™

Clear, antibacterial*, hemostatic gel that provides durable wound care for minor cuts and injuries during work-related mishaps and rugged activities.

79605 5/pk

**Based on laboratory testing, product prevents growth of bacteria, like STAPH & MRSA, within the gel, FDA cleared under K172010, K180152, K182811, K192667*

WJBBC1 Basic Kit

WJBBCPLUS1 Plus Kit

Bleeding Control Kits

These kits contain first aid supplies specifically packaged to immediately treat life-threatening external bleeding. These kits should be uniquely packaged to stand out and enable a first aid provider to readily access supplies.

Heat Relief Kit

Stocked with items to help lower core body temperature and to rehydrate and restore electrolytes lost to excessive perspiration.

740H1SK

WoundSeal Powder

Topical powder bandage that creates an instant scab over bleeding wounds to stop bleeding.

- 2333** Hard to reach wounds
- 2332** Easy to reach wounds
- 2330** For large wounds

NEW

Waterproof Trauma Kit

Specially designed for outdoor use, this USA made IP67 waterproof kit contains military grade trauma supplies, is impact and dust resistant with rust proof hinges and a 3-step twist lock latch.

1104

Medium Vehicle Kit

Great for company delivery trucks, church vans, or even SUVs. Don't leave work without it.
