

# Fire Extinguisher and Emergency/Exit Light Services

## ENSURE YOUR FIRE PROTECTION DEVICES REMAIN COMPLIANT

UniFirst First Aid + Safety offers Fire Extinguisher and E-Light Inspections as part of our regularly scheduled service calls. Count on us to ensure your Fire Extinguishers and E-Lights are compliant with monthly and annual NFPA inspection requirements.

### It's as easy as...

- 1 UniFirst First Aid + Safety Fire Safety Specialist will visit your location and conduct monthly and annual inspections per NFPA requirements and guidelines.
- 2 Any required portable fire extinguisher or emergency and exit lighting service will be conducted to help you maintain compliance.
- 3 You will be provided with a written, detailed report of the inspections and any service or repair work performed.

## ARE YOU NFPA COMPLIANT?

### NFPA 10 (2022 Edition) - Standard for Portable Fire Extinguishers Monthly Inspections

7.2.1.1 "Monthly Inspection" - Fire extinguishers shall be manually inspected when initially placed in service.

7.2.1.2 "Monthly Inspection" - Fire extinguishers and Class D extinguishing agents shall be inspected either manually or by means of an electronic monitoring device/system, at intervals not exceeding 31 days.

## FAST FACTS

**318** Workplace fires occur every day\*

**\$100K** Average cost of a business fire\*
