

MODERN MEDICAL SUPPLIES PAIRED WITH AN INNOVATIVE APP

Mobilize Rescue Systems™ from ZOLL® Medical are a set of interactive trauma and medical emergency kits designed to empower bystanders to help victims during unexpected medical emergencies.

30,000
U.S. DEATHS

could be prevented annually with access to optimal trauma care.¹

Blood loss must be stopped ASAP. Bleeding can become fatal in as little as

3-5 MINUTES²

5,250

FATAL WORK INJURIES

occurred in the workplace in 2018. About 14 deaths per day.²

Mobilize Rescue app: Helps untrained bystanders provide high-quality medical care by following the real-time diagnostic prompts in the interactive app. The algorithm and treatment directions are based on protocols and best practices from the American Heart Association, Tactical Emergency Casualty Care (TECC), and the American College of Surgeons.

High-quality supplies: Mobilize Rescue Systems contains modern medical supplies to treat and manage a wide range of emergencies from severe bleeding and chest trauma to seizures, allergic reactions, and more.
