Onsite Safety Services to Help You Get the Job Done

Making the Workplace Safer

Managers are wearing more hats and working harder. Fortunately, good help is easy to find for maintaining safety and compliance.

UniFirst First Aid + Safety is an affordable and trusted vendor partner for business owners and managers nationwide to help with all of these critical services:

- **FIRST AID:** Industrial-grade first aid program - cabinets, supplies, and eyewash with scheduled replenishment plus inspection of AEDs to meet ANSI requirements.
- **PPE / SAFETY:** Scheduled replenishment of eye, hand, face, and hearing protection, as well as facility safety products.
- **TRAINING:** CPR, AED, and Safety Training - onsite or online.
- **FIRE SAFETY:** Fire protection and compliance solutions providing monthly inspections and maintenance of Fire Extinguishers, Emergency Exit Signs, and Lighting.
- **TESTING:** Onsite Employee Testing for hearing, respiratory, physical exams, and more.
