ICETRED™ Traction Devices

Prevent falls on icy surfaces. ICETRED traction devices fit over the footwear people already own for comfort and performance. Made of durable natural rubber, they're incredibly tough but maintain their flexibility in extreme temperatures. Non-sparking, tungsten carbide spikes provide excellent ice traction and hold their ice-piercing edge better than steel spikes or screw heads. Choose from full sole, mid-sole and heel traction devices.

Full Sole Traction Devices

10710-S Small
10710-M Medium
10710-L Large
10710-XL XL

Heel Traction Device

10705 Universal Size

Mid Sole Traction Devices

10704 Universal Size
10704-NDH Non-defined heel
